GREATER LATROBE MUSIC DEPARTMENT

The Greater Latrobe Music Department is committed to providing the students of Greater Latrobe School District with the most innovative and current musical education possible. Through music instruction, students will have the opportunity to grow artistically, expressively, intellectually, emotionally and physically. A quality music education will help provide students with the means to think, feel and understand the world around them in ways that are unique and distinct from other disciplines. With the continued support of the Greater Latrobe School District administration and the community, we will strive to keep the tradition of excellence in music education alive and well in our district.

Thank you for your continued commitment to quality music education in the Greater Latrobe School District.
